- The joining fee is a one off fee per family and is discounted for siblings.

- The annual school year membership fee can be paid once at the beginning of the school year or in 3 equal instalments. ***There is no discount for longer absences for holidays or other reasons.***
- Second or third family members have 8% discount of the membership fee and do not pay the joining fee.
- Summer membership is optional. ICCC is open throughout the Summer except for a two-week vacation in July.
- If a child applies and is admitted more than one month after the start of the school year the fee is discounted proportionally. All other cases when attendance begins after the start of the school year count as absence and the membership fee is due for the period missed.
- If a child will be leaving ICCC before the end of the school year due to unforeseen circumstances we require at least one month's notice. In this case, the balance of membership fee paid in advance will be refunded. Notice given after 31 March will not be accepted and refunds after this date will not be granted.
- Membership fee requests will be issued in advance of each period, unless otherwise agreed.
